

Declaration of SVHC/REACH Conformity

February 19, 2014

To minimize the environmental impact and take more responsibility to the earth we live, Lux Manufacturing hereby confirms, to date, based on the feedback from our suppliers, that our products shipping to the EU territory comply with the restriction of the SVHC (Substances of Very High Concern) in (EC) N0253/2011 (REACH—Registration, Evaluation, Authorization and Restriction of Chemicals) regulated by the European Union.

Content of Compliance

151 Substances listed in SVHC <0.1% by weight (1000 ppm)

For more information about SVHC candidate list, please go to:

<http://echa.europa.eu/web/guest/candidate-list-table>

Lux Manufacturing Policy

Lux Mfg will continuously review the ECHA "Candidate List" for additions and updates. Lux Mfg will act accordingly in compliance with REACH regulations. In the extremely unlikely situation that a Lux Mfg product is found to contain SVHC's more than 1000 ppm by weight, Lux Mfg will comply with the notification procedures to the authorities and recipients required under REACH Legislation. In the mean time, Lux Mfg will also use its best efforts to update the design and eliminate the SVHC in the products.
